

### REMARKS/ARGUMENTS

The present amendment adds new claims 12-21. Claims 1-21 are pending in this application, with claims 1, 8, 12, and 17 being the only independent claim. The Notice of Allowability mailed October 22, 2004 states that claims 1-11 are allowed.

New claims 12-16 are directed to a control unit for a communication system. Support for these claims is found at page 9, lines 26-28, of the specification. New claims 17-21 are directed to a base station for a communication system. Support for these claims is found on page 11, lines 18-19.

The application is now deemed to be in condition for allowance and notice to that effect is solicited.

Included in the enclosed check is payment for the addition of 1 new claim in excess of 20, and 1 independent claim in excess of three.

It is believed that no fees or charges are required at this time in connection with the present application. However, if any fees or charges are required at this time, they may be charged to our Patent and Trademark Office Deposit Account No. 03-2412.

Respectfully submitted,

COHEN, PONTANI, LIEBERMAN & PAVANE
